

# Regional Priorities

## QCGN Members 2018

CASA / CAMI / Coasters Association / Heritage Lower Saint Lawrence / Neighbours / NSCA / RAWQ / Townshippers' Association / VEQ

### Context

This document is a collaborative effort on the part of the regional member organization's of Quebec' Community Groups Network to ensure regional priorities are at the fore of the Priority Setting Steering Committee discussions and to establish preferred and inclusive methods of consultation among regional member groups.

### Priorities per regional member group

#### CASA

- Youth support: 0-5; 6-14; 15-29 years old
- Community building, mobilization, raising awareness
- Senior isolation
- Access to health and social services, information in English

#### CAMI

- Access to health and social services in English; family doctors
- Broad range of educational and training opportunities for youth
- Alternate employment opportunities for seasonal workers
- Community vitality for English-speakers in the region

#### Coasters

- Access to health and social services in English; equitable coverage across LNS
- Programs and services for seniors
- Programs and services for youth
- Stimulate innovation and investments linked to increased ES community vitality

#### Heritage

- Community outreach, engagement & identity-building
- ESC vitality linked to learning, working and living in the region
- Access to services and information in English
- Promotion of ESC culture and heritage
- Improving the ESC knowledge-base

#### Neighbours

- Access to health and social services in English
- Access to arts & culture, social events in English
- Vitality of the region's English-speaking community

#### NSCA

- Community cohesion - intraregional community development
- Access to health and social services in English
